FILING SEARCH

Use this page to search FERC tariff filings (IS Dockets).

Use the Quick Search if you already know the Docket Number or if you want to check recent filings. Use the Advanced Search to find any filing with a limited amount of information or to find filings matching your parameters. Search the summary text field to help find precedents unrelated to rates.

The Search Results include links to the actual filing. Just click the Filing Date.

If you have a question, you may find the answer quickly in our [OPTM Online Help](#), or [Contact Us](#) directly.

You must enter at least one search term.
